America's Veterinary Discount Plan

Is my pet eligible?

Yes! All pets are eligible, regardless of age, breed, or health. Do you have one dog, five cats, a lazy iguana and a donkey? Your plan will cover them all.

How does it work?

With a Pet Assure membership, you will save on ALL in-house medical services.

- Present your member ID card at any participating veterinarian
- Your veterinarian will discount your bill right at the time of service

What services are covered?

All in-house medical services, including:

- Office Visits & Examinations
- Surgeries & Procedures
- Lab Work & X-Rays
- Spays & Neuters
- Vaccines & Injections
- Dental Cleanings

24/7 Lost Pet Recovery

Pet Assure members receive an ID tag that contains a unique ID number and the toll-free number of our 24/7 Lost Pet Recovery Service. Anyone that finds your pet simply calls the number on the tag, and the Pet Assure team gets right to work contacting you and your emergency contacts. We don't rest until your pet is safely home.

Compare to Pet Insurance

- Price is significantly less than pet insurance, which can cost \$50/pet
- Instant savings at the time of service, without paperwork
- No need to get a quote for each pet—one plan can cover all pets
- No exclusions due to age, breed, pre-existing health conditions or hereditary conditions
- Covers all services, including office visits and examinations
- No deductibles or maximums

What is the fine print?

Pet Assure cannot be combined with other discounts. Veterinarians do not need to discount:

- Take home products, like food and medications
- Non-medical services
- Outsourced services
- Mileage fees for a house call
